empowerment

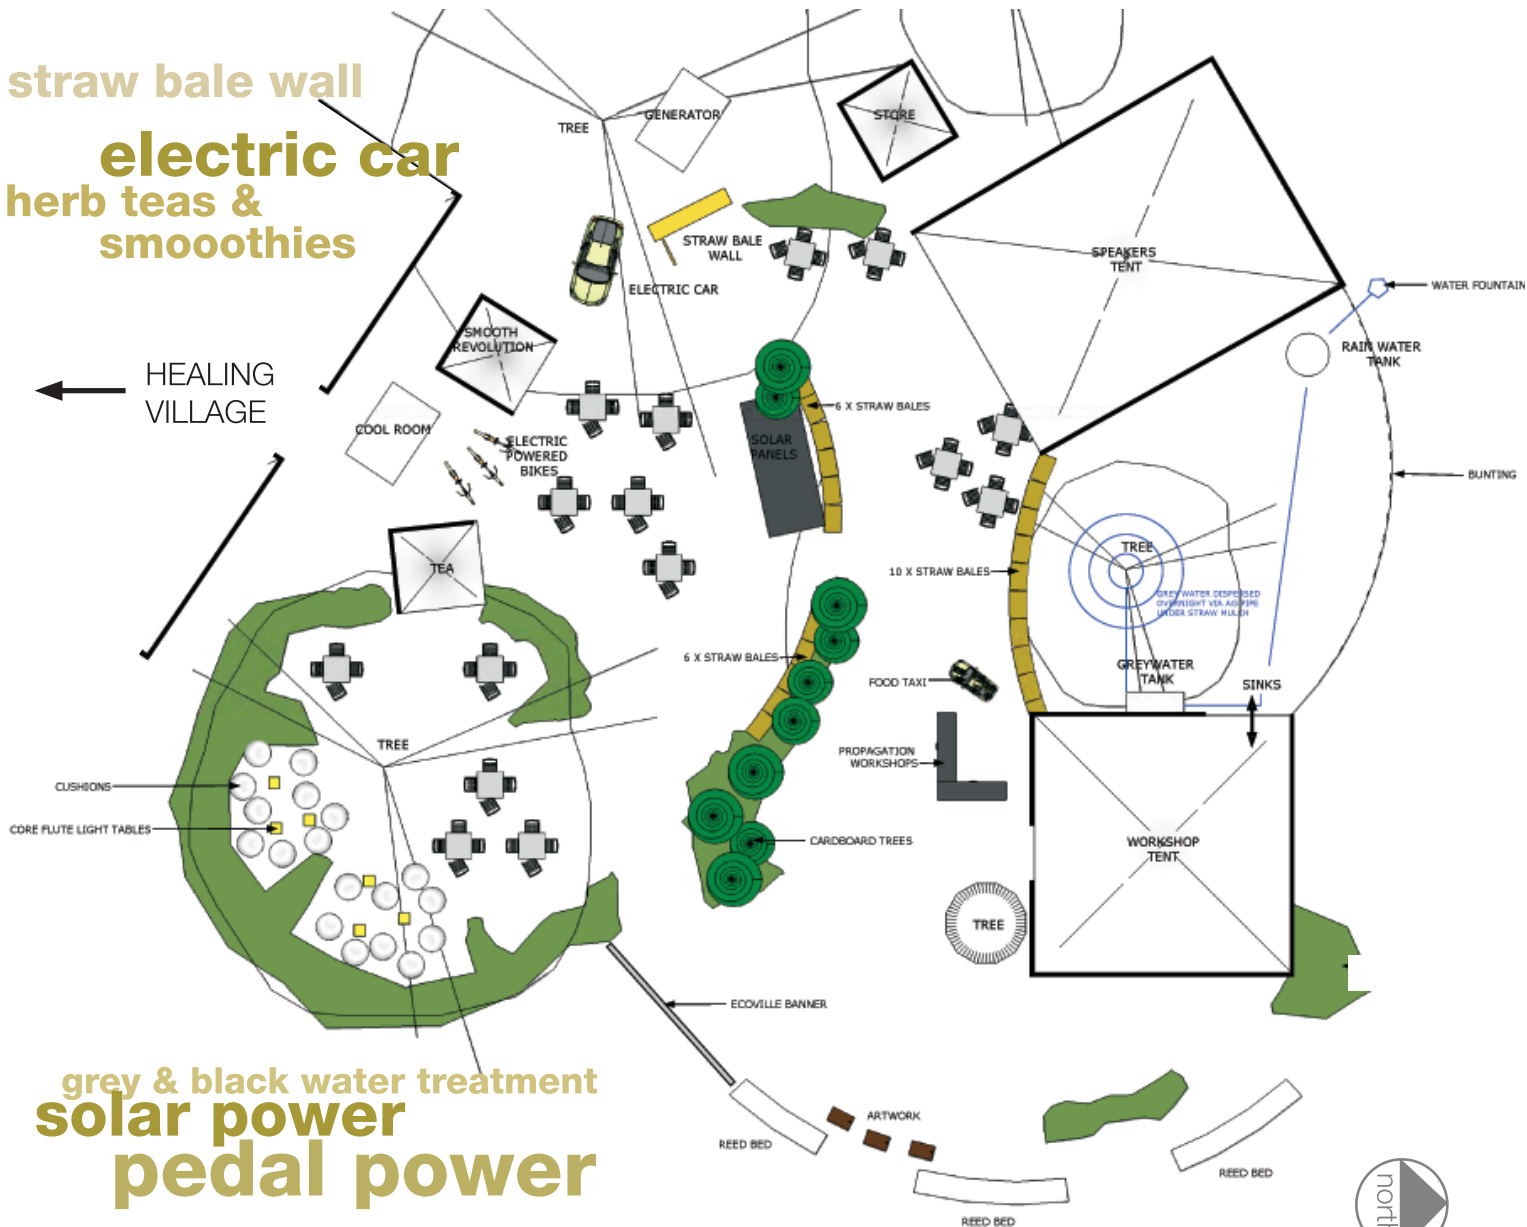

SUPPORTED BY YOUR LOCAL NATURAL  
RESOURCES MANAGEMENT BOARD

Come and be amazed at the brand new **Ecoville**, a place where you can chill out, learn and participate, where environmental challenges inspire solutions, and everything is good for the earth.

**Ecoville** will provide an empowering interactive insight into our contemporary environmental challenges, and leave the audience with practical and innovative solutions. Ecotalks will be held on a broad range of topics, with high profile speakers. In *Its not waste till you waste it* workshops, leading artists will help participants use wastes collected on site to make tetra-pak wallets and purses, beautiful bags, jewellery, tin can furniture and more.

**Ecoville** is supported by the Adelaide and Mount Lofty Ranges NRM Board, [www.adelaide.nrm.sa.gov.au](http://www.adelaide.nrm.sa.gov.au) and **Ecoconscious** [www.ecoconscious.com.au](http://www.ecoconscious.com.au)

it's not waste til you waste it
