

SOUTH AUSTRALIAN MUSEUM EXPLORER'S TENT

9-11 MARCH AT WOMADELAIDE 2013

All details correct as at 31 January 2013

A world of discovery awaits! With experts from the Museum as your guides, unearth some amazing fossils from South Australia's backyard, be inspired by the wonders of the natural world, perform with Professor Flint, listen to Tell Me A Story and find the connections between art and science.

- Collect, research and discover!
- Listen to experts about science and our natural world
- Speak with a Scientist, enquire and ask questions. Use microscopes for self-discovery
- Get involved and explore the wonders of nature, what impact it has on us and why it's important. See, touch, feel, experience and discover a variety of collection items, including bugs, insects, fossils, bones and more
- Tools of the trade display
- Dig pits – dig to unearth fossils each day.
